SUPPLY CHAIN AT UNILEVER

Growth through innovation is fundamental to Unilever's deodorant strategy and the supply chain is key to delivering this. Awarded #1 in 'Gartner's Supply Chain Top 25' since 2015, Unilever is the most responsive and resilient in the industry. From sourcing raw materials to delivering the end products across the world, and every stage in-between, an effective supply chain is crucial to Unilever's success.

Do you want to...

- Gain supply chain experience and transferable skills?
- Immerse yourself in complex and dynamic environments?
- Seize the opportunity to add value to Unilever and make a difference?

If so, this could be the placement for you!

SUPPLY CHAIN ROLES

GLOBAL SUPPLY CHAIN OPTIMISATION ANALYST

- **Look into the future:** Be part of a global team; collate and analyse information to be able to make the right decisions for Unilever's supply chain
- **Understand Unilever's scale:** Dive into global information to highlight key brands and regional growth areas
- **Discover new trends:** Experience how Unilever products are affected by changes to the current business environment
- **Be a margin ambassador:** Help make our deodorants as cost-effective as possible
- **Explore Unilever's diversity:** Be regularly exposed to and work with multiple countries – experience cultural and consumer differences and their impacts on Unilever

GLOBAL SUPPLY CHAIN PLANNER

- **Be the voice of supply chain:** Engage in consultation and drive stimulating discussions with international stakeholders to ensure the right feasibility exists in the global supply chain
- **Engage global leaders:** Collate and analyse information on key project challenges and generate solutions for senior stakeholder review
- **Challenge the status quo:** Identify areas for improvement in existing processes and enhance efficiency in the supply chain and wider Unilever Beauty & Personal Care category
- **Be part of the digital evolution:** Transform the delivery of project information with new, engaging and automated communication tools
- **Follow consumer trends:** Discover how volatile market trends influence the development of product innovations and how the supply chain adapts accordingly

EUROPEAN PORTFOLIO & INNOVATION (P&I) PLANNER

- **Oversee European innovation projects end to end:** Identify, plan and monitor activities across other functions to keep track of the projects' progress.
- **Engage with cross-functional teams across Europe:** Regularly communicate with different business functions including Marketing, R&D and Factory units
- **Bring innovations to life:** Co-ordinate long and short-term projects in a fast-paced environment, ensuring new products will be launched on time across Europe
- **Lead forward-thinking discussions:** Chair international and cross-functional team meetings, sharing best practice and engaging with senior stakeholders
- **Enhance Unilever's competitive position:** Analyse the European Deodorant range and advise on cost and complexity reduction to add value

YOUR APPLICATION AUTOMATICALLY COVERS ALL THREE POSITIONS.

YOU DO NOT NEED TO STATE A SPECIFIC POSITION IN YOUR APPLICATION, ANY ROLE OFFER WILL BE MADE BASED ON YOUR SUITABILITY AND PERSONAL PREFERENCES AS A RESULT OF THE ASSESSMENT CENTRE.

WHAT WE EXPECT FROM YOU

- The ability to work well **independently** and as part of a team
- A desire to **influence** and make a change to the business
- Effective **interpersonal**, communication and IT skills
- A **growth mindset** accompanied with time management and organisational skills
- The ability to be **pro-active** and use your initiative

WHAT YOU CAN EXPECT FROM US

- **Support** for your professional and personal development through 1-to-1 line management
- The responsibility and trust to make a **significant difference** within the team
- Opportunity to develop **transferable skills** in different environments
- Our commitment to help you fulfil your potential with a **tailored workplan**
- Opportunity to gain **exposure** to various aspects of Unilever's business
